

Fast broadband deployment for up to 20 devices

with Business Wireless
Broadband (4G)

How can Business Wireless Broadband (4G) support your business operations?

Construction	Retail / F&B	Roadshow / Event
		
“ How can I instantly provide my engineers and architects with internet access at construction sites? ”	“ How can I deploy internet access quickly and effortlessly for my Point-of-Sales system? ”	“ How can I enable internet access at different locations for my roadshow? ”

With Business Wireless Broadband (4G), my architects' and engineers' work efficiency has increased. They can instantly access internet for email communications at construction sites.

With Business Wireless Broadband (4G), it is easier and faster to provide internet access for Point-Of-Sales system at any of my retail stores. If my retail store changes location, I just need to bring along the router.

With Business Wireless Broadband (4G), I do not have to worry about providing affordable WiFi access for my roadshows. My staff can simply plug the router at any roadshow location to enjoy internet access for work.

What are the benefits of Business Wireless Broadband (4G)?

If you are a business owner that needs convenient and cost-effective broadband for remote sites and short-term work locations, you can subscribe to our Business Wireless Broadband (4G) service. It offers seamless internet connectivity on StarHub's robust 4G mobile network.

Fast set-up & easy to deploy

- Get business broadband wherever your business goes
- Great for locations without, or where it would be too costly to install ready fibre access points

Provide business broadband access for multiple devices

- Provide broadband access for up to 20 devices (within 50 metres radius*) with 4 SSIDs (WiFi) on dual-band connection and 4 LAN Port
- Simply bring along the router and insert the SIM card

* No physical barriers between the router and the connected devices.

Cost-effective business-grade wireless broadband

- Get 30GB of local data and free rental of business-grade router (TP-Link Archer MR200) from as low as \$98 per month

How much is Business Wireless Broadband (4G)?

 **StarHub**

Promotion is valid until **31 December 2017** and is applicable for business customers who sign up for a minimum 2-year contract (new or re-contract) ("Minimum Period of Service") unless otherwise stated. Applicants must be a small and medium sized company, business or partnership (SMEs) registered with the Accounting and Corporate Regulatory Authority of Singapore (ACRA) to be eligible for the Promotion. Applicants are required to present their latest business profile and other relevant documents as may be required by StarHub. Applications are subject to StarHub's approval and credit checks. StarHub reserves the right to determine the eligibility of each sign-up under this Promotion. StarHub's prevailing rates shall apply upon the expiry of this Promotion. Early termination and downgrade charges apply. Promotion includes free router rental for the Minimum Period of Service. Excess local data Charge (imposed beyond 30GB): \$8.56 per GB, with the excess local data bill capped at \$168 per month. StarHub will use its reasonable endeavours to meet an estimated provisioning lead-time of 7 working days, subject always to availability of resources and the procurement of all relevant approvals. Actual bandwidth and speed are dependent on a combination of factors, including mobile equipment, software used, Internet traffic, and destination server. Network Management Rules apply. All prices stated are inclusive of 7% GST. For detailed promotion Terms and Conditions, please refer to www.starhub.com/business/promotnc. StarHub reserves the right to amend, suspend, withdraw or terminate, whether in whole or part, this promotion and/or any of these Terms and Conditions without prior notice at StarHub's absolute discretion. Participation in this Promotion shall constitute acceptance of all these Terms and Conditions and any amendments thereof. In addition to these Terms and Conditions, StarHub's prevailing Business General Terms & Conditions and applicable Service Specific Terms & Conditions available at www.starhub.com (incorporated by reference) apply.
